# Emirates NBD: Have all nods to buy RBL stake

SUBHATA BANDA  
Mumbai, 15 May

Emirates NBD on Friday said it has received all regulatory and governmental approvals, including clearance from the Government of India, for its proposed acquisition of a majority controlling stake in RBL Bank, paving the way for completion of one of the largest cross-border banking deals in India.

The proposed investment of around \$1 billion (₹26,850 crore), first announced in October 2023, marks the largest equity fund raise in the Indian banking sector and the first acquisition of a majority stake in a profitable Indian bank by a foreign banking institution, Emirates NBD said. Emirates NBD will subscribe to up to 559 million

equity shares of RBL Bank at ₹280 per share through a preferential allotment, giving it nearly 60 per cent of the lender's post-issue paid-up share capital. Its eventual holding is expected to range between 53 per cent and 74 per cent, subject to foreign ownership norms and completion of the mandatory open offer.

Emirates NBD said the approvals underline the growing economic and financial relationship between India and the UAE and reinforce India's position as a preferred destination for long-term foreign capital.

"Emirates NBD continues to accelerate development across our network and deepen our presence in high-potential regional markets like India," said Sheikha

Ahmed bin Saeed bin Majroum, chairman of Emirates NBD. "The successful accomplishment of this milestone acquisition underscores our strategic and long-standing relationship with the country."

Hesham Abdullah Al Qasbi, vice-chairman and managing director of Emirates NBD, said the approval would enable the bank to begin integrating RBL Bank into the wider group and strengthen its ability to support India's growth with "capital, capability and connectivity".

Group chief executive Saeed bin Zayed said the transaction positions Emirates NBD "at the centre of a critical trade, wealth and investment corridor" linking India and the Gulf region.

## SC: Won't pass order in favour of Aravalli lease holders

The Supreme Court (SC) on Friday said it won't pass any order in favour of mining lease holders as it has been getting "quite disturbing" feedback on mining in the Aravalli hills and ranges.

"The apex court said there were specific ecological issues and in February it had asked the environment ministry and other stakeholders to suggest names of domain experts for a panel to define the Aravalli hills and ranges."

"We will not hear this matter in a piecemeal manner. We will not permit any activity unless we are fully satisfied," a bench of Chief Justice Surya Kant and Justice Jayaprakash Narayan said on Friday.

## IIC declares Bhojshala site a temple; Muslims to move SC

The Madhya Pradesh High Court declared the disputed Bhojshala-Kamal Mandir complex in Jabalpur district a temple. In its verdict delivered on Friday, the High Court concluded that the proceeed site is a temple and a Hindu deity. It also considered all facts, as set in the survey report from the Archaeological Survey of India (ASI). Muslim party said they will challenge the decision in SC. A division bench quashed the High Court order that allowed Muslims to offer prayers at the site. The court said, "The 2003 ASI order, which restricted the rights of the Hindu deity and permitted prayers by the Muslim community, is quashed."

## Unnoo rape case: SC restores Kuldeep Sengar's jail sentence

The Supreme Court on Friday set aside a Delhi High Court order suspending the life sentence of former BJP MLA Kuldeep Singh Sengar in the 2007 Unnoo rape case and asked it to decide the plea afresh.

A bench comprising Chief Justice of India (CJI) Surya Kant and Justice Jayaprakash Narayan said the high court to make endeavour to decide the main plea of Sengar against his conviction and life imprisonment in the case within two months.

It also said if it was not possible for the high court to decide the matter expeditiously, it should pass an order on a plea of Sengar seeking the suspension of his life term before the start of the summer vacation.

## SC urged to list contempt plea in GM crop case

The Supreme Court on Friday urged to list for hearing a proceeding against top government officials against a "wild and deliberate" violation of an order on the release of genetically modified and gene-edited crops.

The contempt plea, filed by Aruna Rodrigues as part of her 2006 PIL on the issue, alleged that the government has not followed the July 25, 2004, judgement and various earlier orders of the apex court by which it was directed to first evolve a comprehensive national policy on genetically modified (GM) crops through a consultative process involving experts, state governments, and all stakeholders before releasing such crops.

## SC allows remission of Madhumita murder convict

Observing that nature of an offence cannot be the sole ground for denying remission, the Supreme Court on Friday allowed a plea seeking premature release of one of the convicts in the 2003 murder case of 46-year-old poet Madhumita Shukla.

A bench of Justice B V Nagarathna and Justice Bhuvanendra set aside the order of the Ministry of Home Affairs dated July 9, 2025, reflecting the Uttar Pradesh government's recommendation for premature release of convict Rohit Chaturvedi.

The top court noted that Chaturvedi had spent 23 years in jail with no remission.

## IIC declares Bhojshala site a temple; Muslims to move SC

The Madhya Pradesh High Court declared the disputed Bhojshala-Karnal Masjid Mosque complex in Bhopal district a temple. In its verdict delivered on Friday, the High Court concluded that the protected site is a temple of Goddess Saraswati and considering all facts, as well as the survey report from the Archaeological Survey of India (ASI), Muslim parties said they will challenge the decision in SC.

A division bench quashed the 2005 ASI order that allocated Muslims to offer prayers at the site. The court struck off the 2003 ASI order, which restricted the rights of Hindu worshippers and permitted prayers by the Hindu community is quashed.

## SC urged to list contempt plea in GM crop case

The Supreme Court on Friday was urged to list for hearing a plea seeking contempt proceedings against top government officials alleging a "wilful and deliberate" violation of orders on the release of genetically modified and gene-edited crops.

The contempt plea, filed by Anura Rodrigues as part of her 2005 PIL on the issue, alleged that the Centre has not followed the July 23, 2004, judgement and various earlier orders of the apex court by which it was directed to first evolve a complete national policy on genetically modified (GM) crops through a consultative process involving experts, state governments, and all stakeholders before releasing such crops.

## SC allows remission of Madhumita murder convict

Observing that nature of an offence cannot be the sole ground for denying remission, the Supreme Court on Friday allowed a plea seeking premature release of one of the convicts in the 2003 murder case of 26-year-old poet Madhumita Shukla.

A bench of Justices B V Nagarathna and Ujjal Bhuyan set aside the order of the Ministry of Home Affairs dated July 9, 2025, rejecting the Uttar Pradesh government's recommendation for premature release of convict Rohit Chaturvedi.

The top court noted that Chaturvedi has spent 12 years in jail without remission.

# Emirates NBD: Have all nods to buy RBL stake

SUBRATA PANDA  
Mumbai, 15 May

Emirates NBD on Friday said it has received all regulatory and governmental approvals, including clearance from the Government of India, for its proposed acquisition of a majority controlling stake in RBL Bank, paving the way for completion of one of the largest cross-border banking deals in India.

The proposed investment of around \$3 billion (₹26,850 crore), first announced in October 2025, marks the largest equity fund raise in the Indian banking sector and the first acquisition of a majority stake in a profitable Indian bank by a foreign banking institution, Emirates NBD said. Emirates NBD will subscribe to up to 959 million

equity shares of RBL Bank at ₹280 per share through a preferential allotment, giving it 60 per cent of the lender's paid-up share capital. The original holding is expected to range between 51 per cent to 74 per cent, subject to foreign ownership norms and completion of the mandatory open offer.

Emirates NBD said the approvals unshelve the growing economic and financial relationship between India and the UAE and reinforce India's position as a preferred destination for long-term foreign capital.

"Emirates NBD continues to accelerate development across our network and deepen our presence in high-potential regional markets like India," said Sheikh

Ahmed bin Saad Al Maktoum, chairman of Emirates NBD. "The successful accomplishment of this milestone acquisition underscores the strategic and long-standing relationship with the bank."

Habib Abdulla Al Qasim, vice chairman and managing director of Emirates NBD, said the approval would enable the bank to begin integrating RBL Bank into the wider group and strengthen its ability to support India's growth with "capital, capability and connectivity."

Group chief executive Shayee Nelson said the transaction positions Emirates NBD "at the centre of critical trade, wealth and investment corridor" linking India and the Gulf region.

## SC: Won't pass order in favour of Aravalli lease holders

The Supreme Court (SC) on Friday said it won't pass any order in favour of mining lease holders as it has been getting "quite disturbing" feedback on mining in the Aravalli hills and range.

The apex court said there were specific ecological issues and in February it had asked the environment ministry and other stakeholders to suggest names of domains experts for a panel to define the Aravalli hills and ranges.

"We will not hear this matter in a piecemeal manner. We will not permit any activity unless we are fully satisfied," a bench of Chief Justice Surya Kant and Justice Jyotsna Singh Bagchi said on Friday.

## HC declares Bhojshala site a temple; Muslims to move SC

The Allahabad High Court declared the disputed Bhojshala-Karnal Shri Krishna Temple complex in Uttar Pradesh a temple. In the verdict delivered on Friday, the High Court considered that the proffered site is a temple. Goddess Sarawati after considering all facts, as well as the survey report from the Archaeological Survey of India (ASI), Muslim parties said they will challenge the decision in SC. A division bench headed by the 2025 ASI order that allowed Muslims to offer prayers at the site. The court stated, "The 2025 ASI order, which recognized the rights of Indians to worship and permitted prayers by the Muslim community, is quashed."

## SC urged to list contempt plea in GM crop case

The Supreme Court on Friday was urged to list for hearing a plea seeking contempt proceedings against top government officials alleging a "wilful and deliberate" violation of orders on the release of genetically modified and gene-edited crops.

The contempt plea, filed by Aruna Rodrigues as part of her 2025 PIL on the issue, alleged that the Centre has not followed the July 2, 2024, judgement and various earlier orders of the apex court by which it was directed to first evolve a comprehensive national policy on genetically modified (GM) crops through a consultative process involving experts, state governments, and all stakeholders before releasing such crops.

## SC allows remission of Madhumita murder convict

Observing that nature of an offence cannot be the sole ground for denying remission, the Supreme Court on Friday allowed a plea seeking premature release of one of the convicts in the 2003 murder case of 26-year-old poet Madhumita Bhadra.

A bench of justices B V Nagarathna and Ujjal Bhuyan set aside the order of the Ministry of Home Affairs dated July 9, 2025, rejecting the Uttar Pradesh government's recommendation for premature release of convict Rohit Chaturvedi.

The top court noted that Chaturvedi has spent 22 years in jail without remission.

"We will not pass this matter in a piecemeal manner. We will not permit any activity unless we are fully satisfied," a bench of Chief Justice Surya Prasad and Justice Jayaprakash Narayan said on Friday.

## HC declares Bhojshala site a temple; Muslims to move SC

The Madhya Pradesh High Court declared the disputed Bhojshala-Kamal Mandir complex in Durg district a temple in a verdict delivered on Friday. The High Court concluded that the purported site is a temple of Lord Hanuman after considering all facts, as well as the survey report from the Archaeological Survey of India (ASI). Muslim party said they will challenge the decision in SC. A division bench quashed the 2003 ASI order that allowed Muslims to offer prayers at the site. The Court said, "The 2003 ASI order, which restricted the rights of Hindus to worship and prohibited prayers by the Muslim community, is quashed."

## Unnaro rape case: SC restores Kuldeep Sengar's jail sentence

The Supreme Court on Friday set aside a Delhi High Court order suspending the life sentence of former BJP MLA Kuldeep Singh Sengar in the 2007 Unnaro rape case and asked it to decide the plea itself.

A bench comprising Chief Justice of India (CJI) Surya Kant and Justice Jayaprakash Narayan also asked the high court to consider orders to decide the main plea of Sengar against his conviction and life imprisonment in the case within two months.

It also said that if it was not possible for the high court to decide the main plea expeditiously, it should pass an order on a plea of Sengar seeking the suspension of his life term before the start of the summer vacation.

## SC urged to list contempt plea in GM crop case

The Supreme Court on Friday urged the government to file a contempt plea in the GM crop case.

The court was asked to list the plea for contempt against top government officials alleging a "wilful and deliberate" violation of its orders on the release of genetically modified and gene-edited crops.

The contempt plea, filed by Aruna Rodrigues as part of her 2005 PIL on the issue, alleged that the Centre has not followed the July 23, 2004, judgement and various earlier orders of the apex court by which it was directed to first evolve a comprehensive national policy on genetically modified (GM) crops through a consultative process involving experts, state governments, and all stakeholders before releasing such crops.

## SC allows remission of Madhumita murder convict

Observing that nature of an offence cannot be the sole ground for denying remission, the Supreme Court on Friday allowed a plea seeking premature release of one of the convicts in the 2003 murder case of 26-year-old poet Madhumita Shukla.

A bench of Justice B.V. Nagarathna and Justice Bhuvanesh set aside the order of the Ministry of Home Affairs dated July 9, 2023, reflecting the Uttar Pradesh government's recommendation for premature release of convict Rohit Chaturvedi.

The top court noted that Chaturvedi had spent 22 years in jail without remission.
